Boston May 23. 1857

Dr Robinson Dear Sir

I recd yours of the 21st inst. and remark that all of the Dorchester deeds that were recorded were recorded in Boston, and, if Mr Savage has searched there, it would be folly to ~~think~~ think of gleaning after him. There are no deeds of real estate recorded in Dorchester but it does not follow that deeds were not given especially in families to settle estates, because there have been many that were never recorded; they may be now in existence, but I should not know where to look for them. I am sorry that I cannot answer the question more to your satisfaction

Truly Yours Ebenr Clapp Jr
